

## INVITATION TO THE EDITORIAL BOARD

Subject: Invitation to the Editorial Board

18 February 2021

Dear Sir/Madam,

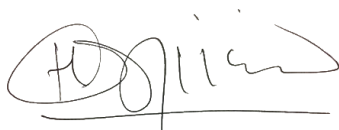

Greetings! We are approaching you to invite you to constitute an Editorial Board for a new journal.

The Grassroots Institute aims to undertake education, capacity building, innovative research, strengthen human development initiatives and take appropriate grassroots field action to empower marginalized communities, Indigenous peoples, ethnic groups, and threatened and vulnerable peoples. The Grassroots Institute was created in 2005 in India and reestablished in 2018 in Canada. In the year 2018, we had launched Grassroots Journal of Natural Resources – GJNR [ISSN: 2581-6853, CODEN: GJNRA9, DOI: 10.33002]. This journal is peer review quarterly international journal covering wide range of topics concerning Natural Resources. The GJNR has successfully completed almost three years. Through strictly following global standards, it is tried to maintain quality editing and quality publishing. GJNR is now indexed by WEB OF SCIENCE, EZB, Scilit, EBSCO, Euro Hub, Index Copernicus, FAO-AGRIS, and many others.

Now when GJNR has picked up well, The Grassroots Institute is planning to start a new journal on “**JOURNAL OF ENVIRONMENTAL LAW & POLICY**”. We are registering this international journal in Canada with a frequency of 3 times a year (triannual) in English. Along with our existing journal, this new journal will be placed on an independent website having extended functions, facilities, formats and space for Editorial Board members. On behalf of The Grassroots Institute, we **invite you** to act as **Member of the Editorial Board**. It will be my immense pleasure to receive your acceptance for this 3-year voluntary service for academic and research scholarship. Please reply at [jelp@grassrootsjournals.org](mailto:jelp@grassrootsjournals.org). A sheet containing expected role of a member of the Editorial Board is appended for your understanding.

I look forward to hearing from you soonest possible.

Sincerely yours,

Dr. Hasrat Arjjumend
